ans 9/14

Dear Harold:

It has been a long time since we've heard from you and I was hoping you were both home now and got your typewriter fixed! As you can tell from my return address, I have purchased a house and have moved. It has been a very hectic last couple of months.

I retired from public school teaching after 30 years and have taken a position as a long-term sub at a Catholic middle school, teaching 6, 7, 8th graders at least for a quarter. And, I continue to officiate high school and youth soccer games in the fall.

Tom Peet and I are presenting at the National Council for the Social Studies national convention in Orlando after a year off last year. That is the sixth time in seven years. May be the last. I do enjoy going, though, and sharing ideas with other teachers.

It has been very humid the last week during my move into the house, but it is supposed to cool off considerably this weekend.

My oldest, Chris, will be 19 in October and is a freshman at Capital University in Columbus. The youngest, Steve, will be 14 this month and is in 8th grade. We took in a Detroit Tiger game three weeks ago in this the last season for Tiger Stadium, where they have played ball there for nearly 100 years.

I hope you are feeling well and getting around and doing the things you both enjoy. If you get time, drop me a ~~line just to let me know~~ how you are both doing. Take care.

Sincerely,

Dave Keck
